ITEM CHECKED

EXCEPTION

Five cars were check for verification of job completion:

- BNSF 314345
- BNSF 314481
- BNSF 314414
- BNSF 314605
- BNSF 314440

No issues (defects) on cars ready to ship when approved.

All above cars were looked at for verification of worked performed, the BRC's were also checked for verification (sign off's) that work was performed. The Greenbrier Rail services company is taking tri-levels and making them into bi-levels. No issues on cars noted. Checked in the files and the BNSF representatives also approved the work performed by Greenbrier Rail Services per emails in file.
